CLINICAL EXPERIENCE

- 9/11-7/15 **COUNSELLOR (FULL-TIME PERMANENT)** Oakville, ON
Counselling, Health, and Accessible Learning Services
Sheridan College
Therapeutic counselling to a diverse student population who present with a wide range of personal and mental health issues. Mental health accommodations for students registered with Accessible Learning Services.
- Assessment and treatment planning, crisis assessment and intervention, safety planning, outreach, and workshops to students, faculty, and staff.
- Consultation to faculty, staff, Health Services, Accessible Learning Services, as well as the Student at-Risk Intervention Team (SARIT). Collaboration and coordination with external agencies and health professionals to help ensure optimal care.
- Lead researcher on quality assurance and outcome research project for Campus Counselling Services. Research examined how counselling helps students in various areas of their lives. It also helped Campus Counselling Services improve their services and explore barriers to seeking services.
- 5/11-10/12 **PSYCHOLOGIST** Toronto, ON
Main Street Psychological Centre
Individual therapy and assessment with adolescents and adults with various clinical presentations. Workshops in the area of sport and performance psychology. Psycho-educational and personality assessments.

- 1/11-09/11 **COUNSELLOR** Scarborough, ON
Centre for Students with Disabilities
Centennial College
 Counsellor diverse college students, with a focus working with students with identified or suspected disabilities, including but not limited to the following: learning disabilities, developmental disabilities, physical disabilities, and mental health disorders/disabilities. Assisted with classroom accommodations and self-advocacy. Involved in consultation with faculty and college around disability and mental health issues, as well as crisis assessment and intervention.
- 9/09-09/10 **PRE-DOCTORAL INTERN** St. John's, NL
University Counselling Centre
Memorial University of Newfoundland
(Canadian Psychological Association accredited internship)
 Provided individual and group psychotherapy, as well as career and academic counselling to both undergraduate and graduate students from diverse backgrounds. Involved in outreach and consultation, supervision of masters level interns, crisis assessment and intervention, research, and psychoeducational, diagnostic, and vocational assessments. Trained and supervised family practice medical residents. Participated in multi-disciplinary team meetings within student affairs which included individuals from the Counselling Centre, Health Centre, Psychiatry, and the Centre for Students with Disabilities.
- 8/08-5/09 **CLINICAL INTERN** Saratoga Springs, NY
Counseling Center
Skidmore College
 Provided individual psychotherapy to students at the college. Involved in outreach activities, including residence life training, and sport psychology consultations to Skidmore's hockey team.
- 8/07-5/08 **CLINICAL INTERN** Worcester, MA
Counseling Center
College of the Holy Cross
 Provided individual psychotherapy to undergraduate students at the college. Involved in outreach activities and participated in weekly trainings, case conferences, and supervision, as well as bi-weekly staff meetings.
- 7/06-7/07 **CLINICAL INTERN** Keene, NH
Antioch Psychological Services Center
 Provided individual psychotherapy to a wide range of clients across the developmental lifespan. Co-facilitated an all girls group at an alternative high school. Administered, scored, interpreted, and wrote comprehensive assessment reports. Tests included, but not limited to the following: WAIS-III, WIAT-II, WJ-III (Achievement and Cognitive), NEO Personality Inventory-Revised, Personality Assessment Inventory, Rey-Osterrieth Complex Figure Test, Bender

Gestalt, Rorschach Inkblot Test, Brown Attention-Deficit Disorder Scales, and Conners Continuous Performance Test.

SUPERVISION EXPERIENCE

- 1/10- 09/10 **INTERPERSONAL PROCESS RECALL CO-FACILITATOR** St. John's, NL
University Counselling Centre
Memorial University of Newfoundland
Co-facilitator of Interpersonal Process Recall (IPR) Seminar. This seminar met one morning a week for 3 hours. The participants in this seminar were first-year family practice medical residents. The focus was on developing and refining counselling skills in a variety of areas, such as stress management, working with gay and lesbian clients, interpersonal process recall (IPR), motivational interviewing, cognitive behavioural therapy, and solution-focused therapy. Responsible for reviewing the resident's patient tapes and providing therapeutically appropriate feedback and evaluations.
- 9/09-12/09 **PRIMARY SUPERVISOR** St. John's, NL
University Counselling Centre
Memorial University of Newfoundland
Primary supervisor of a master's level practicum student in Counselling Psychology. Provided two-hours of face-to-face supervision weekly. Participated in weekly supervision of supervision.
